The FT140.002 stretch film tray insert is made to be used with a box: [CP66.02](#) tai [CP151.115](#). The phone can be placed under a plastic wrap, which fastens when the piece is ready to be moved and then prevents the device from moving. Additionally, the edges of the stretch film tray insert create a cover that holds the phone from touching the lid and the bottom of the box, ensuring secure and safe shipping for phones. Important! The stretch film tray insert is placed inside a box in the photo. The box is not included in the price and must be bought separately.
